

**DECLARATION FOR THE CHARACTERISTICS
OF A CONSTRUCTION PRODUCT**

According to annex I of Regulation № 02-20-1

№ 2015- 3- 014

1. Unique identification code of the product-type:

BETONCONTACT

CONTACT PRIMER FOR CONCRETE SURFACES

2. National requirements (order of the Minister of Regional Development and Public Works, national regulation), technical specification (national standard, Bulgarian technical approval), applicable for the construction product:

EN 13300; EN 1062-1

REGULATION for limiting the emission of VOC in the use of organic solvents in certain paints, varnishes and vehicle refinishing products

3. Intended use or uses of the construction product, in accordance with the national requirements, as foreseen by the manufacturer:

contact and bonding primer for adhesion improvement to smooth, dense, polished and non-absorbent concrete surfaces

4. Name, registered trade name or registered trade mark and contact address of the manufacturer and place of manufacture:

**Produced in EU for MARISAN & KOLEV AD
Ruse - 7009, East Industrial Zone, 15 Kalna Dere Str.**

5. Name and contact address of the authorized representative (where applicable):

Not applicable

6. Name of person to assess compliance with national requirements (where applicable):

**Construction Materials Testing Laboratory by Marisan and Kolev AD - Ruse
conducted type testing and issued Laboratory testing report № 24/23.04.2013r.**

**OMNITEST Laboratory - Romania with the accreditation certificate LI 305/2013 issued
a protocol of determination of Volatile Organic Compounds № 150 /21.03.2014.**

DECLARATION FOR THE CHARACTERISTICS OF A CONSTRUCTION PRODUCT

7. Declared performance of the characteristics of the construction product:

CHARACTERISTICS	INDICATOR	METHOD OF TESTING /CALCULATION/ DETERMINATION
Density	$(1,08 \pm 0,05) \text{ g/cm}^3$	EN ISO 2811-1: 2016
Non-volatile compounds content	$\geq 21 \%$	EN ISO 3251:2008
Volatile organic compounds (VOC) content	$\leq 30 \text{ g/l (cat. A/g)}$	EN ISO 11890-2:2013
Drying time without sticking	(2 – 4) h	EN ISO 9117:6:2012

8. The characteristics of the construction product identified in point 1 have indicators corresponding to the ones declared in point 7.

This declaration for the characteristics of a construction product is issued under the sole responsibility of the manufacturer identified in point 4 or the authorized representative, indicated in point 5.

Signed for and on behalf of the manufacturer (authorized representative) by:

Ruse
13.08.2018

Executive Director:
/St. Kolev/
